This full service auto repair shop was established in 1996. The business employs 6 –8 full time employees which includes an on-site manager. The store is located on a major traffic thoroughfare through the city. Training is very thorough and there is a review on an annual basis. A reasonable long-term lease is available. All equipment is in place to do complete auto repairs with up-to-date equipment.

The owner(s) are adamant that the store is neat, clean, functional, and customer friendly. This is an ideal opportunity for an absentee owner or for a buyer to operate as owner/manager with ideal expansion. The owner (s) will assist a buyer thru the transition period. This business is in an excellent position for a successful transfer.
