Fusion Marketing & Consulting, Inc. -

Screaming Eagle Films

PURCHASE PRICE: \$165,000

Assets: \$37,194

LOCATION: Sioux Falls, SD

Fusion Marketing (dba "Screaming Eagle Films") represents a very rare opportunity to own a professionally-crafted, "tested and proven" business model devised to produce & market special-event DVD's; while building an "online" virtual community of fans and customers for follow-on products, services and additional events.

The business includes an exclusive relationship with the Sturgis Motorcycle rally organizers in the Black Hills of SD; that has resulted in the creation and successful marketing of two proprietary DVD's providing memorable, fascinating "behind the scenes" experiences at the largest gathering of bikers in America, in years 2006 & 2007. Business assets include all rights to the Sturgis DVD's; plus mobile video filming and PC-based editing/production capabilities.

The business will have to be relocated; but requires minimal office and equipment storage space. This business is in an excellent position for new ownership with unlimited growth and potential opportunities.
