

The Professionals Group, LLC

For Sale

SEED PROCESSING: CEREAL GRAINS, BIRD FOOD & GRASSES

The business is a wholesale network that custom cleans and processes cereal grains, bird food, and grasses. The business revenue is diversified through its services. Cleaning, bagging, and the sale of grain and bird food products encompass the largest revenue stream at the present time. The current owner(s) built this company in 1982 to process and custom clean grain that would meet requirements for Registered and Certified

seed. The business has expanded from shipping bulk grain by the semi-load to bagging products and mixing to match a customers' formula. Specialty cleaning is offered and the company routinely works with products such as peanuts and other tree nuts. The business has operated as an "S" Corporation since 1992 and the sale includes the assets of such corporation. The owners are pursuing their exit strategy and would like to transfer the company as a base of operations for a new owner or as an expansion to an existing company.
